

# It's on in the **FIELD**

**It's On In The Field..... A Sports, Music and Business extravaganza showcasing Salisbury's Greatness - taking place on Hudson's Field on Sunday 30<sup>th</sup> May 2010.**

Join us for this incredible event, we would love to show off as many of the brilliant activity clubs and associations in the area as possible. You can show off your talents in the arena or allow the public to have a go at your sport or just have an exhibition stand to encourage new members and let the public know what your club does. The first step is to complete the expression of interest form attached and return to the address provided. We will then get in touch to sort out the details of your appearance at the event - it's as simple as that!

There is no charge to attend, but we do ask if you can consider ways of raising sponsorship money for the Stars Appeal. Whether this is by allowing the public to have a go at your sport for a £1 a go or shaking a bucket during a display or indeed asking friends and family to sponsor you - it's up to you!

For the first time, this is your chance to be part of a brilliant day of activities and fun taking place, put the date in your diary now and make sure you let us know if you would like to be part of it. Places will be applied on a first come, first served basis.

We aim to raise as much money as possible for The Stars Appeal, Caring 4 Kids Campaign. This charity raises money to create the best possible experience for the 300,000 people who rely on Salisbury District Hospital. It funds extra care and equipment over and above that provided by the NHS. Their current project is the Caring 4 Kids Campaign, which aims to make life better for the thousands of children and their families who come to the hospital every year.

The event aims not only to raise money for charity but to encourage young people to participate in sports, dance and acting and to showcase the vast array of clubs and associations we have in the local area. There is also a Business Village, sponsored by the FSB and an entertainment tent with live music all day and all evening. We are expecting thousands of visitors to come along.
